321 { An Old Almanack, in which the Gentleman, who was Owner of it, has noted a very remarkable Prophefy, which Serls a fay weaver in St. Edmunds Bury had found written by an invisible Hand upon the inside of his Kettle, while hanging over the Fire; to wit, Wo to England for Poysoning of *Charles the second*, Cardinal yonder standeth MOLECH twenty Nations with him, Englands Misery cometh.

This is the more remarkable, because this Almanack has at least been ever since the Year 1664. (being so many Years before King Charles his Death) in the Possession of *Benjamin Fury*, as he has himself attested in it; with many more particulars about this Prophecy.
