## GEORGE R.

**G**EORGE the Second, by the Grace of God King of Great Britain, France, and Ireland, Defender of the Faith, &c. To all to whom these Presents shall come, Greeting. Whereas HENRY VANDER ESCH Esquire has, by his Petition, humbly represented unto Us, that he hath for several Years past, with great Labour and Expence, been preparing and publishing a Work in Eight Volumes in Folio, intitled, *A General Dictionary, Historical and Critical; in which a new and accurate Translation of that of the celebrated the Sieur Bayle, with the Corrections and Observations printed in the late Edition at Paris, is included, and interspersed with several thousand Lives never before published. The whole containing the History of the most illustrious Persons of all Ages and Nations, particularly those of Great Britain and Ireland, distinguished by their Rank, Actions, Learning, and other Accomplishments. With Reflections on such Passages of the Sieur Bayle as seem to favour Scepticism and the Manichee System. By the Reverend JOHN PETER BERNARD, the Reverend THOMAS BIRCH, JOHN LOCKMAN, and other Hands; and the Articles relating to Oriental History, by GEORGE SALE, Gentleman.* That the said several thousands of new Lives of the most eminent Persons, in the present and former Ages, contained in the said Eight Volumes, and which were never before published, have cost the Petitioner many hundreds of Pounds in Procuring, Writing and Compiling the same; and the Petitioner being apprehensive that all or most of the said new Lives may be printed and published by other Persons, having no Right thereto, and no ways concerned in Writing the same, or in the Expences thereof, to the great Discouragement of Learning, and particular Injury to the Petitioner: Wherefore he has humbly prayed Us to grant him Our Royal Licence and Protection, for the sole Printing, Publishing, and Vending the said new Lives, contained in the said Eight Volumes, and prohibiting all other Persons from Printing, Publishing, or Vending the same, or any of them. We being willing to give all due Encouragement to such a useful Work, are graciously pleased to condescend to his Request; and We do therefore, by these

Presents, grant unto the said HENRY VANDER ESCH, his Executors, Administrators, and Assigns, Our Royal Licence, for the sole Printing, Publishing, and Vending the aforesaid new Lives, contained in the said Eight Volumes, procured, written, and compiled at his Expence, for and during the Term of Fourteen Years from the Date hereof: Strictly forbidding all Our Subjects, within our Kingdoms and Dominions, to reprint the same, either in the like, or any other Volume, or Volumes whatsoever, or to import, buy, vend, utter, or distribute any Copies thereof reprinted beyond the Seas, during the aforesaid Term of Fourteen Years, without the Consent or Approbation of the said HENRY VANDER ESCH, his Heirs, Executors, or Assigns, under their Hands and Seals first had and obtained, as they will answer the contrary at their Peril: Whereof the Commissioners and other Officers of our Customs, the Master, Wardens, and Company of Stationers are to take Notice, that the same may be entered in the Register of the said Company, and that due Obedience be rendred thereunto.

*Given at Our Court at St. James's the Thirteenth Day of December 1734, in the Eighth Year of Our Reign.*

By his MAJESTY's Command,

HARRINGTON.

The aforesaid Dictionary is printed for T. Osborne in Gray's-Inn.
